

RP-20 Digital Repeater

Introduction

RP-20 receives Heading clause of NMEA-0183 protocol, displays the heading and trend of ROT on LED.

Specification

Bearing discrimination:	0.1°
Input Ports:	1 ports,RS422/485; baud rates:4800,9600,19200 or 38400. Automatic recognition rate.
RP-20 Repeater can display Heading and ROT, adjustable brightness.	
Input Power	DC24V,18-36V
Power consumption	<1.5W
Temperature	Operation:-30°C~+70°C; Storage:-40°C~+85°C;
Waterproof:	IP65
Weight:	< 1 kg
Length×Width×Height	19.5×15×7(cm)
